FAQ:

Q: How to place an OEM order for your product?

A: First of all, please let us know your requirements or applications.

Secondly, we quote according to your requirements or suggestions.

Third, the customer confirms the samples and deposits them into the formal order.

Fourth, we arrange production.

Q: How is the quality of your products?

Answer: Our raw materials are purchased from qualified suppliers. And we have a strong quality control team to ensure the quality of our products.

Q: Can I provide samples or even trial production before sending you an order?

Answer: Yes. Samples can be sent for evaluation within 3-5 working days, but you should pay the freight.
