Packing and Shipping:

Packaging and Shipping

2.0 Bookshelf Speakers are carefully packaged and shipped in a cardboard box. The box contains two speakers and all necessary hardware for assembly. All packaging materials are recyclable.

Before shipping, each speaker is thoroughly tested and inspected for any imperfections or defects. When shipping, the speakers are wrapped in thick foam and secured in the cardboard box. The box is then sealed for added protection.

The shipping cost of the speakers depends on the destination address. All orders are shipped with an estimated time of delivery.

For international orders, customs fees may apply. Customers are responsible for paying any applicable customs fees.
