Y-1042 is an active 2.1 sound system for multimedia home theatre use and features a stunning MDF and ABS material design for a distinctive look. You can hook it up to a multimedia device, smartphone or tablet using an USB/SD card/Blue tooth connection. Be prepared to have your world rocked thanks to the powerful subwoofer which delivers deep bass and high-volume sound. A practical desktop remote makes it a breeze to control the speaker system, and thanks to its stylish design and shocking bass stereo the Y-1042 dominate the similarly priced products on the market. It's a true all-rounder for any situation.
